Headteacher: Mrs C Hatto

Dear Parent/Carer

I am delighted to offer your child the opportunity to take part in our GCSE Easter Revision sessions which all students in Year 11 are welcome to attend. It would be advisable for all students to take full advantage of these sessions as we approach the final few days before the main section of the GCSE exams start. The sessions will be a great way for you to ensure that your child is focussing on revision at this important time with the experts in their respective subjects and examinations. Knowledge that has been taught for the past two years will be revisited as well as crucial examination technique methods which will hopefully ensure students pick up those vital extra marks which can make the difference in grading.

All students should meet in our reception area before each session and if students are intending to stay for the whole day then they should come with a packed lunch as no catering facilities will be open in the Easter holidays.

Date and Time	Subject	Venue
Monday 15 th April 9am – 11.15am	Physical Education	Sports Hall Classrooms
Monday 15 th April 12pm-2.15pm	Art	Art Rooms
Tuesday 16 th April 9am-2.15pm	Product design	Phoenix Centre
Wednesday 17 th April 9am-11.15am	English	English Corridor
Wednesday 24 th April 9am-11.15am	Science	Science Corridor
Wednesday 24 th April 12pm-2.15pm	Spanish	Language Rooms

Can I take this opportunity to remind you that students will need a stock of black pens, pencils, a ruler and a rubber contained in a clear plastic pencil case to take into the examinations. A scientific calculator will also be needed for Mathematics exams. All students have been given their examination timetables, sessions in how to revise and mock examination results interviews recently. Your continued support of both your child and the in-school provision such as the Easter revision sessions is both vital and well-received at this important time.

Should you have any further queries about the revision sessions or how you can help your child then please do not hesitate to contact myself or your child's subject teacher.

Yours sincerely

Mr L.S. Parry
Deputy Headteacher
