What is special consideration?

Special consideration is a post-examination adjustment to a candidate's mark or grade to reflect temporary illness, temporary injury or some other event outside of the candidate's control at the time of the assessment, which has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment. Special consideration can only seek to go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in examinations. It cannot remove the difficulty faced by the candidate. There will be situations where candidates should not be entered for an examination. Only minor adjustments can be made to the mark awarded because to do more than this would jeopardize the standard of the examination.

Purpose of the policy

The purpose of this policy is to identify roles and responsibilities in the special consideration process and confirms that Aldercar High School agrees to "submit any applications for special consideration where candidates meet the published criteria." [JCQ General regulations for approved centres Chapter 5]

Applying for special consideration

Where eligible, special consideration is applied for in a specific exam series where candidates have been fully prepared and have covered the whole course but performance in the examination, or in the production of controlled assessment, coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control.

If a candidate is absent for acceptable reasons, and the centre can verify this, special consideration is applied for if the exam missed is in the final relevant examination session and the "minimum requirements for enhanced grading in cases of acceptable absence" can be met (details attached at the end of this document). If there is an opportunity to re-enter the candidate in the next available exam series, the centre will make the entry and special consideration is not applied for.

Where other issues or problems affect a candidate or a group of candidates, special consideration is explored in SC 5 and applied for where eligible. This might include, for example:

- ▶ requesting an honorary certificate
- ▶ a short extension to controlled assessment/coursework/non-examination assessment deadlines
- ▶ submitting a reduced quantity of controlled assessment/coursework/non-examination assessment (shortfall in work)
- ▶ lost or damaged work
- ▶ candidates taking an incorrect or defective question paper
- ▶ candidates undertaking the wrong controlled assessment assignment

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre follows SC 7 and awarding body guidance to determine if, when and how an adjustment can be applied for.
