

13<sup>th</sup> January 2025

Dear Parents and Carers

Year 11 Parents Evening: Wednesday 12<sup>th</sup> February 2025

I would like to invite you to attend our Year 11 Parents Evening/presentation in school: Wednesday 12<sup>th</sup> February 2025.

This is a very important event, where Year 11 students will be receiving their mock exam results and their latest predicted grades. There will also be a presentation explaining how the real exams will run within our school, which will be from 4:45pm until 5:15pm in the main hall. There will be no appointments available with subject staff during this time to allow all parents/carers to attend the presentation.

You will also have an opportunity to discuss the progress of your child in meetings with subject staff, and pick up the key areas that students need to focus upon in the run up to their exams.

When you arrive at school we ask that you enter through the side door of the main hall, where you will sign in and students will receive their mock exam results. From there you will be guided to the area of your first appointment. You will also receive a map to show where teachers from different subjects are to make the evening run as smoothly as possible. Appointments will be 5 minutes long.

To book your appointments please visit: <https://aldercar.schoolcloud.co.uk/>

The login screen will ask you for the details we have on record for you and your child. The system can be sensitive to titles so please use the ones we have on record for you.
