Headteacher: Mrs C Hatto

28th March 2022

Dear Parent/Carer,

Careers Guidance Interviews

As of from next week Monday 4th April 2022 throughout the school year Year 10 will be invited to have a one-to-one careers interview with the Careers Adviser Mr David Tolan who will offer advice and guidance to students. Your son/daughter will be invited by appointment only and will be seen in alphabetical order. However, if you feel that your son/daughter needs to be seen quicker then please email Mrs Salt.

The careers advisor only comes to the school one a day a week and will offer 5 individual appointments, so if your child has been invited and cannot make it could you please let us know, normally by emailing lsalt@aldercarhigh.co.uk so that other students can take that place.

Mr Tolan is a professional qualified and experienced Careers Adviser offering an independent and impartial service available to all students. Mr Tolan can help students make well-informed, realistic decisions about their futures, helping them to move on to positive destinations after school. This includes subject option choices; Post 16 options e.g. Sixth Form, college and apprenticeships and Post 18 opportunities e.g. university courses, higher/degree apprenticeships and employment.

An action plan will be written up and posted out to you.

Careers Advisers never tell a student what they should do for a career, but will simply point them in the right direction in order to help them to make informed choices.

Students are encouraged to take responsibility for their own future by carrying out individual research and keeping abreast of changes in courses and entry requirements. Careers Education and Guidance is about preparing students for what comes next and encouraging them to take their place in the modern world.

Yours sincerely

Miss K Tyrrell (Head of Careers)

Mrs L Salt (Admin for Careers)
