February 2022

Dear Parent/Guardian

The Mathematics Faculty trip to Paris is rapidly approaching. Just as a reminder the dates for the tour are Monday 18th July 2022 to Friday 22nd July 2022 and the payment schedule is as follows.

Minimum payments of £100 were/ are due by:

20th July 2021

20th September 2021

8nd November 2021

24th January 2022

7th March 2022

Payment to be made by the school's secure online payment portal, Parentpay.

The tour provider has been in touch to inform us of the legal requirements for entry to France as below:

Double Vaccination – All adults and students over 12 years old will need to be double vaccinated to enter France. Children can get a 1st dose of the vaccine from the day they turn 12. Most children can get a 2nd dose from 12 weeks after they had their 1st dose. Travellers must have had their final vaccine dose at least 14 days before departure.

From 3 February 2022, 12-15 year olds in England will be able to prove their vaccination status via a digital NHS COVID Pass for international outbound travel.

Passport Validity – Your students will also need to have at least 3 months validity on their passports and their passports need to be no more than 10 years old. To apply for a new passport or to update an existing passport, visit the online passport application service for British nationals - <https://www.gov.uk/browse/abroad/passports>

If your child has not had their first COVID vaccination they need to do so soon to allow the necessary 12 week gap between vaccinations.

I hope this information is helpful and will be in touch with further details nearer the time. Please get in touch if you need any additional information.

Yours faithfully

Mr C Iddon
Head of Maths
