

Our Most Recent Ofsted Report

June 2019

In June 2019 Ofsted paid us a visit. This is what they had to say about the Hearing impaired ERF:

“Pupils with special educational needs and/or disabilities (SEND) are well supported. The enhanced resource facility for pupils with hearing impairment provides opportunities for these pupils to be fully integrated into all aspects of the school.”

“Pupils say that they feel safe and know that they have someone to talk to if they need support.”

“Destinations for pupils with SEND are very positive. Vulnerable pupils are prioritised for careers advice.”

“Pupils with SEND have their individual learning needs identified and well met. Accordingly, their progress accelerates through key stage 3 and is generally good across a broad range of subjects. They move on to further education or training.”
