

In school we use whatever communication method is right for each student. Some use British sign language (BSL), some signed supported English (SSE) and some use speech alone.

Regardless of communication preferences, all pupils in the ERF have the opportunity to learn BSL. They can also do their signature Level 1 and Level 2 exams during their time at Aldercar school.

This section contains lots of resources that you can use to practice your BSL skills at home.

We also do signed song events. Check us out on Youtube: <https://youtu.be/MIZwb6e333Y>
