

Welcome to the ERF

We are an enhanced resource facility (ERF) that prides itself in delivering a high standard of support for all our hearing impaired students.

We use a range of communication approaches to suit the needs of each child. We aspire to give every student the best of both worlds by using total communication within the mainstream secondary school.

Hearing Impaired students have equal access to all aspects of mainstream school life to ensure they have a rewarding and fulfilling experience.

We work hard to meet the needs of all students in the ERF. This includes:

- Comprehensive transition from Primary to Secondary school.
- Close liaison with parents/careers and professionals.
- One to one and small group specialist intervention.
- Clinical audiology visits twice per annum.
- Communication support in lessons
- Note taking.
- Annual access to the Listening Bus
- Informal BSL lessons
- Deaf Studies
- Residential trips and visits.
- Links with external agencies
- Soundfields in most classrooms
