Dear Parents and Carers

Year 11 Parents Evening: Monday 17th January 2022

I would like to invite you to attend our Virtual Year 11 Parents Evening: Monday 17th January 2022.

This is a very important event, providing you with an opportunity to discuss your child's progress in their recent mock exams.

Following on from the recent restrictions, we have taken the decision to run the Parents Evening via our online video call platform, School Cloud. This allows you to choose your own appointment times with your child's teachers and then to speak with them via a web-based video call. We understand that this is very different from how Parents Evenings have been conducted in the past, however we feel that this system will allow parents/carers access to an appointment to be taken at a convenient point during the evening, reducing the need to have to leave work.

A short guide on how to access the system and make appointments can be found here: <https://support.parentseveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

To book your appointments please visit: <https://aldercar.schoolcloud.co.uk/>

The login screen will ask you for the details we have on record for you and your child.

Appointments can be made online from Friday 17th of December at 9am, and will close on Friday 14th of January 2022. If you need to make any changes after this date, please contact the school office.

If you do not have access to the internet, or have any queries or problems accessing the system, please contact info@aldercarhigh.co.uk and we will be happy to answer your queries.

Yours sincerely
