

# Feel the Beat

On Tuesday 28th June, over 60 students from 7 other schools and resource bases came to Aldercar High for 'Feel the Beat.' It was a day for deaf children to appreciate and celebrate music together. We had so much fun!

Paul Whittaker is a deaf performer. He taught us how to sign 'We are the champions' and 'Rocking all over the world.' He was so funny!

Sean Chandler is a deaf musician. He helped us to have a go at playing the trumpet, trombone or mini-tuba. It was great!
