

# Yorkshire Wildlife Park

23rd September 2022

On 23rd September 2022, the deaf students from the ERF, as well as some hearing students who have been learning BSL, went on a trip to Yorkshire Wildlife park. We were so excited to go as the trip has been cancelled twice before! It was so much fun.

We saw lots of different animals, some of which we had never seen before.

One of our favourite parts was going on the park- we are all big kids really!
