

Deaf Awareness Week

May 2023

This year for Deaf Awareness Week the whole school learned how to sign "I'll be there for you" (the theme tune from friends) in BSL. We then made this into a whole school signed-music video. Here are some of the pictures of us signing. [You can watch the full video on the school's Facebook page.](#)

F • O • R
Y • O • U

We also did a BSL taster session for parents. This was open to all parents in the school community. They learned how to fingerspell their name, where they live and family members' names. They also learned common greetings in BSL.

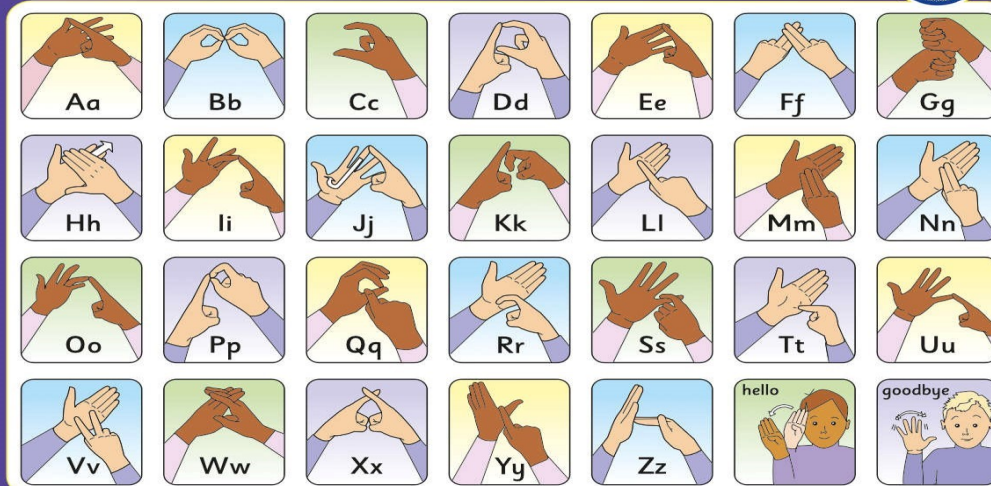

WELCOME
Both open hands with palms facing signer bend at knuckles in short repeated movements.

Welcome to Aldercar High BSL taster session

Some of our deaf students and students learning BSL helped to run the taster session and were fantastic tutors to the parents.

Well done to everyone involved!

Welcome to Nottinghamshire Deaf Society

We are a registered charity based in Nottingham. Formed in 1890 by a group of philanthropic church and community leaders we have a vision of a society in which all deaf people can fully participate. Today NDS serves many deaf people across the county and region with a range of services including BSL interpreting, welfare rights advice and by supporting deaf community groups.

BSL Interpreting

All our in-house interpreters, lip-speakers and the freelance interpreters we use, are highly trained and are officially registered.

Volunteering

We rely on our volunteers to be able to provide all of our services, we couldn't operate without them generously giving their time, skills and expertise.
