

Markeaton Park

On Thursday 20th July the Deaf and Hearing Impaired department went on a trip to Markeaton park to celebrate all our hard work this year. We played mini-golf, had a picnic and played on the park. We also got ice-creams of course!

Here are some pictures of us playing mini-golf. We played 18 holes which was 2 courses– a blue side and a red side. The red side was much harder!
