Dear Parents and Carers

Year 9 Parents Evening/Options Evening: Thursday 25th January 2024

I would like to invite you to attend our Year 9 Parents Evening/Options evening in school: Thursday 25th January 2024.

This is a very important event, providing you with an opportunity to discuss the progress of your child in the different subject areas and attend a presentation explaining the options process. The presentation will run from 5:15-5:45pm in the main hall and will provide useful information to help you to support your child through the options process. We would like to see all parents/carers attend this presentation. Appointments with staff will not be available during this time slot.

All meetings with subject staff will take place face to face in school. The main hall and the dining room will be the main areas used for Parents/carers to meet subject staff, along with other classrooms. When you arrive at school we ask that you sign in at the main reception and you will be guided to the area of your first appointment. You will also receive a map to show where teachers from different subjects are to make the evening run as smoothly as possible. Appointments will be 5 minutes long.
