

SPORTS WEEK JULY 1st – JULY 5th 2024

Dear parents and carers,

Sports week this year will start on July 1st and come to a close July 5th and we would like to inform you of the plans for the week.

All students across the school will be competing for their house against other student's in their year group on one of the days that week shown in the table below. The final event of the week will be a staff house rounders competition that the students will watch Friday afternoon. Following on from this we will crown one of the houses champions of 2023/24.

The school day that week will run with its normal timings of registration at 8:25am and students will leave site at 2:55pm, this is including breaks and lunch times. Students will go to registration and period 1 on the day of their year group sports day then compete periods 2 to 5 in sports that they select.

On the day of your son/daughters sports day we would like students to come in house coloured clothing that is suitable to take part in sporting activities or if house coloured clothing is not doable then Aldercar High School PE kit is fine. By suitable clothing this means for example no crop tops or shorts of an unacceptable length. If students decide to wear these items of clothing they will be asked to wear spare PE kit.

Please can you make sure that students bring plenty of water and sun cream as they will be outside for the majority of the day.

Below is a timetable for how the week will look and the events for students to select each period.
