1. Introduction and aims

At Aldercar High School we recognise that mobile phones, including smart phones, are an important part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Promote, and set an example for, safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents/carers and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

2. Roles and responsibilities

2.1 Staff

All staff (including teachers, support staff and supply staff) are responsible for enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The Deputy Head teacher for Inclusion is responsible for monitoring the policy every 2 years, reviewing it, and holding staff and pupils accountable for its implementation.

2.2 Governors

The governing body of the school will review and approve this policy every 2 years.

3. Use of mobile phones by staff

3.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to make or receive calls, or send texts, while children are present/during contact time. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time. For instance:

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 01773 712477 as a point of emergency contact.

3.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard).

For further information, please refer to the following policies:

- Data Protection Policy
- ICT acceptable use policy.

3.3 Safeguarding

Staff must refrain from giving their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

3.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but aren't limited to:

- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits (school mobile phones are always provided. Use of a personal mobile phone would be in an emergency or in the event the school mobile phone not functioning properly)

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil

- › Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

3.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes. (IE when out on a school trip)

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- › Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
- › Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct.

3.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

4. Use of mobile phones by pupils

- › Pupils are permitted to bring a mobile phone to school. The expectation is that they hand in their phone during tutor time in the morning, and collect it during tutor time in the afternoon. Mobile phones should be switched off

4.1 Sanctions

- › If a mobile phone is seen or heard by a member of staff between 8:25am and 2:55pm, students will be asked to hand in their phone to the member of staff. The phone will be taken to the school reception and the phone can only be collected by a parent between 8am and 4pm.
- › Schools are permitted to confiscate phones from pupils under sections 91 and 94 of the [Education and Inspections Act 2006](#)

School staff have the power to search pupils' phones, as set out in the [DfE's guidance on searching, screening and confiscation](#). The DfE guidance allows you to search a pupil's phone if you have reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause personal injury.

If a member of staff is concerned about inappropriate content on a mobile phone or if they suspect inappropriate behaviour, they should report this to the students Head of Year and DSL as soon as possible. Staff should not ask to view any content that may be of a sexual nature.

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- › Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- › Upskirting
- › Threats of violence or assault
- › Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

5. Use of mobile phones by parents/carers, volunteers and visitors

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else which could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 4 above.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on his/her personal mobile during the school day.

6. Loss, theft or damage

Pupils bringing phones to school must ensure that phones are appropriately labelled and are stored securely when not in use.

Pupils must secure their phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

To support with the above, we will:

- Put signs up in the school entryway or office
- Include a disclaimer in our home-school agreement
- Provide a copy of our policy and disclaimer to new pupils and parents/carers

Confiscated phones will be stored in the school reception in a secure container.

Lost phones should be returned to the main school reception. The school will then attempt to contact the owner.

7. Monitoring and review

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from teachers
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority or other relevant organisations
